CHANGE OF PUBLIC SWIMMING POOL CONSTRUCTION PERMIT AND LICENSING FEES

In late 2004, the Public Health Code (PHC) authorized the Department of Environmental Quality (DEQ) to change construction permit and license fees for public swimming pools. These fees replaced the general fund tax dollars formerly used to fund the public swimming pool program. The PHC also authorized that fees be adjusted every 3 years by an amount that reflects the cumulative annual percentage change in the Detroit consumer price index. Three years has now passed and the cumulative three-year increase has been determined to be 8.4%.

The adjusted construction permit and license fee schedule based on the pool surface area is as follows. This schedule is effective through 2008, 2009, and 2010.

DEQ has revised the [Application for Swimming Pool Construction Permit](#) to reflect the adjusted fee schedule. The CP application and campground [rule](#) book documents are posted on our website www.michigan.gov/deqwb.

The pre-printed license application mailed to public swimming pool owners generally in November will have the correct licensing fee. Please note that the late fee adds \$100 to the annual renewal fee and is assessed after Dec 31 through April 30. The lapsed fee adds another \$50 to the annual renewal fee and is assessed after April 30.

Please note that local health departments are entitled to and may collect additional fees for services provided, such as inspections. Please contact your local health department for their fee information. Please do not send the local health department fee to DEQ.
